

STATE OF NEW HAMPSHIRE

- INTRA-DEPARTMENT COMMUNICATION -

DATE: March 30, 2016

FROM: William R. Lambert, P.E.
Administrator, Bureau of Traffic

AT (OFFICE)
Department of Transportation
Bureau of Traffic

SUBJECT: Standard Updates
Mast Arm Special Details: Type 1A, Type 1B & 1C, Type 1D & 1E (new), and Type 2

TO: Bureau Administrators & District Engineers

MEMORANDUM

The Bureau of Traffic has made updates to all Mast Arm Standard Plans. Prior to Federal Highway Approval these existing Standard Plans will be replaced by Special Details.

The updated existing Standard Plan Sheets include:

- **TS-1:** Traffic Signal Mast Arm Foundation – Type 1A
- **TS-2:** Traffic Signal Mast Arm Foundation – Type 1B & 1C
- **TS-3:** Traffic Signal Mast Arm Foundation – Type 2

These three existing Standard Plan Sheets should no longer be used or referenced. They will be taken off-line and replaced with a link to the Special Detail which replaces them.

Additionally a fourth Mast Arm Special Detail has been created.

- Traffic Signal Mast Arm Foundation – Type 1D & 1E

Please note that prior to Federal Highway Approval, if a project references any of these sheets, the Special Detail will need to be inserted as part of a project's plan-set.
